Email: info@troutfishingfiordland.co.nz

We have available for use:

- Day Pack
- Morning Tea and Lunch
- Walking Poles
- Drink Bottle
- Insect repellent
- Gaiters (limited number available)

Note: feel free to bring your own equipment if you choose.

You must bring:

- Hiking Boots
- Rain jacket
- Any required toiletries or medications
- Sun hat, Sun block, Sun glasses
- Warm hat and gloves

Optional Items:

- Camera

Suggested clothing for the day:

- Clothing with lots of flexibility and light-weight are best. We recommend wearing thermal leggings underneath shorts or light weight trousers. T-shirt, thermal long-sleeved shirt and warm long-sleeved jumper (not too heavy). Regardless of the weather when we set out, each person must carry a light-weight rain jacket.

Please Note:

- The alpine environment in which we are hiking is extremely changeable and temperatures can go from very hot to cold and windy in a short time. For this reason we all must be prepared with a range of clothing and equipment.
